

## Logan's Speech.

We will send to all who wish it General Logan's great speech in the Senate on the Fitz-John Porter case. It consists of forty-six pages, and embraces a large map showing the country where the second battle of Bull Run was fought, and should be in the hands of every soldier. Price 10 cents per copy.

## An Interesting Book for Soldiers.

We announce that we will publish a pamphlet containing a full list of battles such as have appeared in serial form in our paper, provided 500 subscribers are received. We hope every subscriber to the paper will take the book. Every ex-soldier in the land should own one. Send on your names, address and subscriptions promptly. Single copies 25 cents, 5 copies for \$1.00.

## An Alarm Clock Premium.

We have concluded, as there is much call for them from all parts of the country, to add another premium to our list, viz., an *Alarm Clock*. It will be nickel-plated, and same style as that we have furnished by the hundreds to subscribers, save that it will have a reliable alarm which can be set to the quarter or half hour, and its price will be but 50 cents above that of the clock we have been furnishing, viz., \$1.75—THE TRIBUNE and Alarm Clock, \$2.25. Send on your orders. Any one sending us eighteen new subscribers will secure this Alarm Clock as a premium.

## The Petitions.

Soldiers wishing petitions can receive them by sending a three-cent stamp for each, or they can write out the form of petition as shown in our paper, and attach it at the head of the list of signers, or get the form printed at any local printing office. Attend to the work of getting your petitions and signers as soon as possible. When signers are all secured forward your petition to your Senators and Representatives.

## Soldiers! Attention All!

Let all soldiers who approve of it, sign this petition and forward at once to their member of Congress:

To the Senate and House of Representatives of the United States in Congress assembled:

We, the undersigned soldiers of the war of the Rebellion, residing at the locality and having been members of the company and regiment mentioned after our names, do most earnestly oppose and utterly discountenance the passage of a bill introduced in the Senate of the United States by Mr. Withers, of Virginia, providing for the examination and adjudication of pension claims, regarding its provisions as objectionable and unjust as those found in what is known as the Sixty-Surgeon Bill, while, at the same time, we do as earnestly recommend and advocate the passage of a bill introduced in the House of Representatives by Hon. Mr. Geddes, of Ohio, for the creation of a Court of Pensions, through which we may secure the justice so long denied us.

## For Bentley's Removal.

If you believe that the Commissioner should be promptly removed we give you a proper form for a petition below. When all soldiers in a certain locality disposed to sign it, do sign it, put it in an envelope, with the right amount of postage stamps thereon, and forward it, addressed "To the President, Washington, D. C."

To his Excellency RUTHERFORD B. HAYES,  
President of the United States:

The petition of the following named soldiers, residing at the locality succeeding their names, and who were members of the companies and regiments stated after said locality, respectfully represents that we have viewed with deep pain and much astonishment the continued retention of John A. Bentley in the position of Commissioner of Pensions. For a long time we believe said Bentley has in all respects opposed the interest of the soldiers; that his decisions in regard to their claims have been most unjust and monstrous; that he impedes the collecting of their honest dues; that he slanders them by imputations upon their honesty; that he devises bills for Congressional action which will reduce many of them to beggary; that he has without law cut down their monthly stipends; that he treats their correspondence with contempt; that his satraps visit them to devise every means to invalidate their pensions; in fact, that his whole course and conduct towards them is and has been marked by suspicion, prejudice, delay, slander, and injustice. For these reasons we do most earnestly beseech you, the Chief Magistrate of the United States, to speedily remove said Bentley, who, we learn, never rendered a day's service in either the Army or Navy, and to appoint a good, tried, honest soldier in his stead. You, Mr. President, have been a soldier, an honorable and faithful one, and we appeal to you as soldiers to a soldier to give us a new Commissioner, an honorable and just soldier, who will treat us with decent respect, and be disposed to render us justice. And your memorialists will ever pray, &c.

## Secure Your Clocks at Present Rates.

We have received from parties who manufacture our clocks the following notice. Let all who want clocks look out to get them before any advance in price:

"In consequence of the steady advance in the costs of raw material and labor, we wish to inform you that the prices of our manufactures are subject to change without notice. Should we be obliged to advance the prices of the same, you may be assured that the advance will be only sufficient to cover the increased cost of production. We shall always endeavor to make our prices as low as the quality of the goods will permit."

## Our Splendid Premium.

THE NATIONAL TRIBUNE CLOCK. IT GIVES UNIVERSAL SATISFACTION. HUNDREDS ALREADY SENT TO ALL PARTS OF THE COUNTRY AND CLUBS CONSTANTLY BEING FORMED TO RECEIVE THEM.

All subscribers to and readers of THE TRIBUNE have doubtless seen the many praises lavished on this clock by purchasers on account of its cheapness, beauty and reliability. Every one is surprised how we can afford to sell such an article at such a price. Our motive for putting the clock at less than its absolute cost is that we may thus be enabled to extend the circulation of our paper so widely that every soldier of the War of the Rebellion will be a subscriber. Once a subscriber he would not be without it, if he has any present or prospective claim against the Government. To those who have never seen this beautiful little gem it may be proper to state that it is nickel plated and will polish like silver, and has heavy plate glass fronts. It is stem winding and is manufactured of the very best materials, while all the plates are screwed together. It is well fitted to grace any parlor, dining room or sleeping room. We especially call the attention of our lady friends to this clock. They particularly need a clock for the use and decoration of their homes. The fact is this clock is so good and cheap that any one living in the rudest cabin can afford it. Now we beg leave to impress it upon the minds of all readers, that owing to special arrangements, we are enabled to offer to any and all "The National Tribune Clock" and "The National Tribune Newspaper" for the unprecedented low price of \$1.75. In clubs of ten or more subscribers desiring a clock and paper we will allow one extra clock and paper, for the getting up of every said club of ten. The clock and paper will be sold, under no circumstances, for less than one dollar and seventy-five cents, whether in orders for one or a hundred, and in all cases of so ordering, parties must pay the freight, the amount of which will be but a trifle. No fears need be entertained of a breakage of the clock or disarrangement of its parts by transportation. Thus, we give you a superior clock and an excellent newspaper, of special interest to the thousands of soldiers of the country, concerning their patriotism, their rights, and their pockets, while the general news it publishes relating to matters at Washington, its social gossip, lively sketches, choice selections, &c., will render it a welcome guest in every family circle. Now, here is a prospectus for some good, profitable business, which soldiers especially could make a great success. Almost every householder would buy one of these clocks, even if he had several on hand, and those who have none, would surely buy. Go to work then and get up your clubs. Think of it. A beautiful family clock, entirely reliable, and an interesting family newspaper, both for one dollar and seventy-five cents, together with an extra clock and newspaper for every getter up of a club of ten. Eleven clocks and eleven newspapers for seventeen dollars and fifty cents. Remit by money orders, which can be obtained at almost every U. S. Post Office, by registered letter, by draft on New York, or by express. Specimen of paper sent free.

The attention of the former clients of B. F. Pritchard, Esq., of Indianapolis, Indiana, who have not written to me since December, 1876, is again called to the following:

INDIANAPOLIS, IND., NOV. 13, 1876.

GEORGE E. LEMON, Esq., Washington, D. C.:  
DEAR SIR—You are hereby authorized to notify each of my clients that I have transferred to you all their claims, evidences, &c., and that it is my desire that they should correspond with you hereafter, and forward such evidence as you may need to complete their claims.

(Signed)

B. F. PRITCHARD,

This proposed transfer was submitted to the Hon. Z. Chandler, Secretary of the Interior, for his consideration and action. The following extract from his letter, written to the Hon. J. A. Bentley, Commissioner of Pensions, explains itself, and to it your attention is invited:

DEPARTMENT OF THE INTERIOR,  
Washington, D. C., December 6, 1876.

In view of the peculiar state of facts existing in the case, and the good standing of Mr. Lemon as an attorney before this Department, as well as his apparent good faith in this entire transaction, I am of the opinion that it would be proper to allow the transfer to be made.

Z. CHANDLER.

In accordance with the foregoing, the Hon. J. A. Bentley, Commissioner of Pensions, issued an order recognizing me in all cases filled by Mr. Pritchard prior to October 6, 1876; wherein he hath the power of substitution.

This is the most economical plan you can adopt to secure valuable and interesting reading.

Send us on your subscriptions at once, in money-order or registered letter.

We can furnish any other leading papers or magazines in connection with the NATIONAL TRIBUNE, and when you think of subscribing to any paper not on the above list, just write to us, and you may rely upon us securing it upon the very best terms, and that it will be forwarded very promptly. No subscriptions received for less than one year.

Now, we specially call upon the soldiers to help us in the work of enlarging our subscription list by the means here presented. It can readily be done, if they will put their shoulders to the wheel. If they regard it as their paper—which it is, most emphatically—they will feel a pride in its success.

The larger our subscription list, the more money we can afford to expend in making it an additionally attractive sheet.

We would like to hear from any soldiers, North, South, East, or West, who would be pleased to labor in the cause. Let us hear from you, boys.
